

**United Nations Statistics Division  
2010 World Programme on Population and Housing Censuses**

**Questionnaire on plans for population and housing census in the period 2005-2014**

Please fill the questionnaire in full or to the fullest extent possible. This information will be used by the United Nations Statistics Division (UNSD) to formulate and develop 2010 World Programme activities at global and regional levels. Please note that UNSD might also present this information on its 2010 World Programme website.

Country: \_\_\_\_\_ Date of filling the questionnaire \_\_\_\_\_

Name of official filling this questionnaire \_\_\_\_\_

**Part I. Expected date and method of the population and housing census for the 2010 census round**

1. The next population and housing census is planned for \_\_\_\_\_ (dd/mm/yy).

2. The population and housing census is planned as (please check one):

Description of method (for full description and examples of methods, please visit: <a href="http://unstats.un.org/unsd/demographic/sources/census/alternativeCensusDesigns.htm">http://unstats.un.org/unsd/demographic/sources/census/alternativeCensusDesigns.htm</a> )	Check
1. Traditional census	<input type="checkbox"/>
2. Register-based census	<input type="checkbox"/>
3. Combination of register-based census and traditional census	<input type="checkbox"/>
4. Combination of register-based census and sample surveys	<input type="checkbox"/>
5. Rolling census	<input type="checkbox"/>
6. Traditional enumeration with yearly updates of characteristics	<input type="checkbox"/>
7. Other (please elaborate): ----- -----	<input type="checkbox"/>

**Part II. Expected Funding for the next population and housing census**

The following questions are aimed at assessing, in an approximate manner, the costs of the population and housing census and the sources of funding:

Estimated total cost of population and housing census, in US\$	\$
Approximate percentage to be covered by national budget	----%
Approximate percentage to be covered through international support	----%

**Part III. Major issues determining the success of the population and housing census**

Please indicate below whether the following issues are of concern to you in planning your next census.

Issue	Local capacity sufficient	Require external support
Availability of quality staff for enumeration	<input type="checkbox"/>	<input type="checkbox"/>
Availability of adequate and comprehensive cartographic facilities	<input type="checkbox"/>	<input type="checkbox"/>
Level of knowledge of ICT of staff available in the National Statistical/Census Office	<input type="checkbox"/>	<input type="checkbox"/>
Adequate logistical support available	<input type="checkbox"/>	<input type="checkbox"/>
Publicity	<input type="checkbox"/>	<input type="checkbox"/>
Level of user support for census	<input type="checkbox"/>	<input type="checkbox"/>
Other issues (Please specify below: if necessary continue on reverse of this sheet.)	<input type="checkbox"/>	<input type="checkbox"/>
